

PROTEC

PROTEC 21 INCH EXPANDABLE ENCLOSED BATON HOLDER

Code: B1

Fabric: 1000D Nylon

Weight: 125g

Colour:

Black

About the B1:

The Protec B1 21" Expandable Enclosed Baton Holder is a durable, reinforced carrying solution designed to provide secure storage for compatible expandable batons. Manufactured from tough 1000D nylon with a 1mm plastic reinforcement insert, it offers a stable structure for demanding professional environments.

Designed for compatible 21-inch ASP and Casco friction-lock batons, the B1 features press-stud fastenings at both the top and bottom for additional security. Its open-bottom design allows the baton to be holstered while fully extended, while the 360-degree rotating belt loop provides adjustable positioning for improved comfort, including when seated or driving.

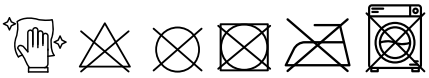

Features:

- Durable 1000D nylon construction
- 1mm plastic reinforcement for added rigidity
- Enclosed design with top and bottom press-stud fastenings
- Suitable for compatible 21" ASP and Casco friction-lock batons
- Open-bottom design accommodates a fully extended baton
- 360-degree rotating belt loop for adjustable positioning
- Designed for secure and comfortable everyday carry
