

PROTEC

SPECIAL OPERATIONS BACKPACK/RUCKSACK

Code: BA2

Fabric: 600D Polyesster

Weight: 0.63 kg

Colour: Black

About the BA2:

The Protec BA2 Medium Body Armour Bag is a durable, water-resistant storage and transport bag designed for police officers, security professionals and tactical users. Constructed from lightweight 600D polyester, it provides practical protection for storing and transporting body armour between duties.

Twin grab handles provide easy carrying, while the twin-puller zip can accommodate padlocks for added security. Three clear ID windows allow the bag and its contents to be quickly identified.

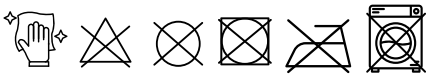

Features:

- Durable 600D polyester construction
- Water-resistant design
- Designed for body armour storage and transport
- Twin grab handles
- Twin-puller zip
- Zip compatible with padlocks
- 3 clear ID windows
- Lightweight construction
- Suitable for police and security professional use
