

PROTEC 21 INCH BATON KEEPER

Code: BAT26

Fabric: 1000D Nylon

Weight: 80g

Colour:

Black

About the BAT26:

The Protec 26" Baton Keeper is designed for integration with compatible Protec tactical vests, providing secure and accessible storage for 26-inch batons. Its practical design helps keep the baton firmly in place during movement while allowing convenient access when required.

Engineered to accommodate compatible 26-inch batons with or without Hindi caps, the keeper offers flexibility for different equipment configurations. It supports an organised vest setup for police officers and security professionals who require reliable baton retention during operational duties.

Features:

- Designed for use with compatible Protec tactical vests
- Suitable for 26" batons
- Accommodates compatible batons with or without Hindi caps
- Designed to help retain the baton securely during movement
- Provides convenient access to essential duty equipment
- Supports an organised tactical vest configuration
