

PROTEC

PROTEC POLICE COMBI UNIT

Code: CUI

Fabric: 600D Nylon

Size: Customised fit for users of all shapes and sizes.

Weight: Approx. 0.5kg (500g)

Colour: 
Black

About: Protec Police Combi Unit

The Protec Original Plain Clothes Equipment Holder is designed for police officers, covert teams and law enforcement professionals requiring discreet and accessible equipment carriage. The holder accommodates essential equipment including CS spray, baton, handcuffs and radio, while its fully adjustable design allows for a secure and personalised fit.

Baton and handcuffs are drawn in a downward direction for quick and practical access. The holder can also be configured for cross-draw use, with right-hand baton and handcuff positioning on the left side and left-hand positioning on the right side.

Product Specification:

- Fit: Customised to suit users of all shapes and sizes
- Configuration: Right- or left-hand options available
- Cross-draw configuration available
- Baton and handcuff positioning can be configured to suit the user

Sizing:

- Adjustable lightweight harness for secure fit across all body types
