Black

About: Covert Holster with Klick Fast Airwave Compatible Dock

A professionally designed covert carry system for law enforcement and security personnel. Manufactured from durable 600D nylon, it provides a lightweight, secure and comfortable solution for discreetly carrying essential operational equipment during daily use.

Compatible with rigid handcuffs, CS spray, batons and radios with Klick Fast-compatible docking systems, including Monadnock, ASP, Casco, Camlock and ESP baton systems. Dual padded, adjustable shoulder panels provide improved comfort and weight distribution, while 3mm velour padding and 25mm elasticated belt loops help maintain a secure and stable fit during movement.

Product Specification:

- Durable 600D nylon construction for strength and lightweight performance
- Covert under-vest design for discreet operational use
- Dual-padded shoulder support for improved comfort and load distribution
- 3mm velour padded rear lining for enhanced comfort during extended wear
- Compatible with batons, CS spray, handcuffs, and Klick Fast compatible radio systems
- Compatible with Monadnock, ASP, Casco, Camlock, and ESP baton systems
- Two 25mm elastic belt loops for stability and positioning
- Supplied with belt and trouser clips
- Available in right-hand or left-hand configuration

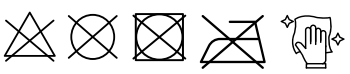

Sizing:

- Adjustable lightweight harness for secure fit across all body types
