Black

About: Ultra Covert Harness – With Zip Pocket

Customise your load out at home or in the field with the CU8T from Protec. Built on their renowned ultra covert harness design the CU8T now offers the added customization and flexibility of a modern molle platform.

Made from the same hard wearing 600D as the rest of the range. Outside of the molle panel the harness has fixed pockets to accommodate standard issue rigid handcuffs and CS PAVA spray and a general purpose zip pocket to the rear of the molle panel.
