About the H1:

The Protec H1 Speedcuff Case is a durable, padded pouch designed for carrying rigid handcuffs securely and comfortably during duty. Manufactured from tough 1000D ripstop nylon, it provides reliable protection and long-lasting performance in demanding professional environments.

Designed to hold rigid handcuffs, including compatible Hiatt and TCH models, the H1 keeps cuffs in a stable, fixed vertical position for consistent carrying. A quick-release webbing tab allows convenient access when required, while the rear 50mm belt loop provides secure attachment to duty belts up to 50mm wide.

Ideal for police officers, security personnel and other professionals who require reliable handcuff storage.
