PROTEC RIGID SPEEDCUFF CASE

Code: H2

Fabric: 1000D Nylon

Weight: 82g

Colour:

Black

About the H2:

The Protec Rigid Speedcuff Case is a durable, adjustable carrying solution designed for police officers, security personnel and other professionals who require secure, accessible handcuff storage during duty.

Handmade in the UK from reinforced 1000D ripstop nylon, this lightweight yet hard-wearing holder is built to withstand demanding operational use. Its three-position swivel mechanism allows the carrying angle to be adjusted to suit individual preferences, while dual press-stud retainers help keep rigid handcuffs securely in place.

Compatible with suitable Hiatt and TCH Total Control Handcuffs, the case attaches to duty or trouser belts up to 50mm wide, making it a practical addition to professional duty equipment.
