

PROTEC

PROTEC RIGID SPEEDCUFF CASE

Code: H3

Fabric: 1000D Nylon

Weight: 116g

Colour: 
Black

About the H3:

The Protec Fixed Speedcuff Case is a durable, practical carrying solution designed to keep rigid handcuffs secure and readily accessible during duty. Handmade in the UK from tough 1000D ripstop nylon, it is built to withstand the demands of everyday professional use.

Designed to accommodate most brands of rigid handcuffs, including Hiatt and TCH Total Control Handcuffs, the holder positions cuffs at a fixed 45-degree angle for convenient access. Two Protec press-stud retainers help prevent accidental release and keep handcuffs securely in place.

Compatible with duty and trouser belts up to 50mm wide, the Protec Fixed Speedcuff Case is ideal for police officers, security personnel and other professionals requiring reliable handcuff storage.

Features:

- Handmade in the UK
- Tough 1000D ripstop nylon construction
- Fixed 45-degree carrying angle for accessible handcuff deployment
- Dual Protec press-stud retainers for secure retention
- Suitable for most rigid handcuffs, including compatible Hiatt and TCH models
- Compatible with duty and trouser belts up to 50mm (2") wide
- Durable design for everyday professional use
