

PROTEC

PROTEC ENCLOSED RIGID HANDCUFF POUCH

Code: H6

Fabric: 1000D Nylon

Weight: 68g

Colour: 
Black

About the H6:

The Protec H6 Enclosed Rigid Handcuff Pouch provides secure, practical storage for standard rigid handcuffs. Manufactured from durable 1000D ripstop nylon, it is designed to withstand the demands of daily professional use.

Featuring a double press-stud fastening, the H6 helps keep handcuffs securely enclosed while allowing convenient access when required. A fixed 50mm belt loop on the rear provides stable attachment to compatible duty belts.

Suitable for police officers, security personnel and other professionals who require reliable handcuff storage, the H6 combines durable construction with a practical, enclosed design.

Features:

- Durable 1000D ripstop nylon construction
- Enclosed design for secure handcuff storage
- Double press-stud fastening for secure retention
- Fixed 50mm rear belt loop
- Designed for standard rigid handcuffs
- Suitable for professional duty use
