About the LG32:

The Protec Tactical Protector Kevlar® Gloves are designed to provide a balance of protection, comfort and dexterity for police, security and tactical professionals.

Constructed using 200gsm DuPont™ Kevlar® fibre, the gloves provide cut, abrasion and flame resistance. Light padding across the knuckles and back of the hand provides additional impact protection while maintaining flexibility for handling equipment.

Touchscreen-compatible thumb and forefinger allow compatible devices to be operated without removing the gloves.
