About the LH4:

The Protec LH4 Chained Leather Handcuff Case is a durable, professional-quality carrying solution designed for secure storage of chained handcuffs. Designed and manufactured in the UK, it is crafted from 100% genuine full-grain leather, offering long-lasting durability and a smart, professional finish.

Specifically designed to accommodate compatible Hiatt, Safariland and TCH chained handcuffs, the LH4 features a secure press-stud closure to help keep cuffs firmly in place during duty. A slotted rear belt loop allows convenient attachment to standard and police duty belts up to 50mm wide.

Combining quality materials with practical functionality, the Protec LH4 is ideal for police officers, security personnel and other frontline professionals.
