

PROTEC

PROTEC DUTY ORGANISER

Code: M25

Fabric: 1000D Durable Nylon

Weight: 3.4kg

Colour:

Black

About the M25:

The Protec Duty Organiser is a durable, semi-rigid police kit bag designed for police officers, security professionals and other operational users.

Its structured construction and box-style main compartment provide generous storage while helping protect uniform, equipment and documentation from being crushed when stored in a vehicle. Made from hardwearing 1200D material, it is built for demanding professional use.

Features:

- Durable 1200D Nylon construction
- Semi-rigid, structured design
- Large main compartment
- Five external pockets
- Eight internal pockets
- Removable and adjustable internal divider
- Separate storage for clothing, equipment and documentation
- Carry handles
- Padded shoulder strap
- Clear top window for ID or warrant card
- Suitable for police and security professional use
