## MEGA BAG PSU HOLDALL

**Code:** M28

**Fabric:** 1000D Durable Nylon

**Weight:** 2.5 kg

**Colour:**

Black

### About the M28:

The Protec Mega Bag PSU Holdall is a large-capacity equipment bag designed for police officers, security professionals and operational users carrying larger amounts of uniform, protective equipment and essential kit.

With approximately 100–110 litres of storage capacity, it features a large main compartment, five external pockets and a reinforced waterproof base for added protection. The two padded shoulder straps allow the holdall to be converted into a rucksack for comfortable hands-free carrying.

### Features:

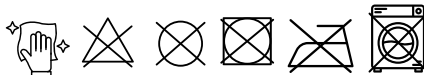

- Large 100–110 litre capacity
- Large main compartment with easy-access zip
- 5 external pockets
- Reinforced waterproof base
- 2 padded shoulder straps
- Converts from holdall to rucksack
- Plain black finish
- Suitable for police and security equipment
- Ideal for PSU equipment, uniform and operational kit

### Specification:

- **Capacity:** Approx. 100–110 litres
