

PROTEC

PROTEC TACTICAL EDC ASSAULT BACKPACK

Code: M61

Fabric: 500D Cordura

Weight: 1.3 kg

Colour: 
Black

About the M61:

The Protec Tactical EDC Assault Backpack is a lightweight 25-litre pack designed for police officers, security professionals, military personnel and operational users. Its versatile design makes it suitable for short patrols, everyday carry and 24-hour equipment requirements.

The three-compartment design provides organised storage for equipment, documents and technology, including laptops up to 15". With MOLLE webbing, hydration compatibility, padded airflow panels and adjustable load-support straps, the backpack is designed for comfortable carrying throughout the day.

Features:

- 25-litre capacity
- Durable 500D Cordura construction
- 3 expandable zipped compartments
- Compression webbing straps
- Large main compartment with internal pocket
- Hydration bladder compartment with securing clip and tube port
- Padded laptop compartment for up to 15" laptop/tablet
- Front organiser compartment with multiple pockets
- Padded divider for separating documents and technology
- MOLLE webbing and attachment loops
- Velcro badge panel
- 2 elasticated side pockets for water bottles
- Velour-lined zipped pocket for glasses or mobile phone
- Breathable padded back with airflow system
- Padded adjustable shoulder straps with D-rings
- Sternum/chest strap and waist belt
- Glove-friendly zip pullers
- D-rings for equipment attachment
- Strong rope carry handle
