

PROTEC

HOLDALL WITH PADDED HELMET COMPARTMENTS

Code: M65
Fabric: 1000D Durable Nylon
Weight: 1.2 kg
Colour:
Black

About the M65:

The Protec Tactical MOLLE Duty Bag is a versatile equipment bag designed for police officers, security professionals and operational users. It can be secured to a vehicle seat using the top buckle strap and quickly converted into a practical tactical kit bag when removed from the vehicle.

Made from durable 1000D nylon, it features removable padded dividers for organised storage, a dedicated padded laptop compartment and multiple internal and external storage options. MOLLE webbing around the bag allows compatible pouches and accessories to be added as required.

Features:

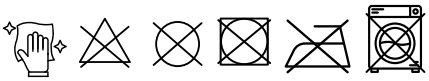

- Durable 1000D nylon construction
- Water-resistant design
- Converts from vehicle organiser to tactical kit bag
- Top buckle strap for securing to vehicle headrests
- Removable padded internal dividers
- Three configurable storage compartments
- Padded laptop sleeve for laptops up to 15.6"
- Front organiser pocket with slots for pens, torch, keys and accessories
- Clear front ID/badge window
- MOLLE webbing for compatible pouches
- Side bottle holder with drawstring toggle
- Reinforced carry handle
- Detachable shoulder strap

Specification:
