

PROTEC

PROTEC BLACK MOLLE MODULAR AEP BATON ROUND POUCH

Code: MODAEP

Weight: 60g

Colour: Black

About: Protec Black Molle Modular AEP Baton Round Pouch

The Protec MODAEP is a durable modular pouch specifically designed to securely carry 37mm AEP Baton Rounds. Manufactured from rugged 1000D ripstop nylon, this pouch provides a reliable and hard-wearing storage solution for operational use.

Designed around the industry-standard MOLLE attachment system, the MODAEP can be mounted not only to Protec tactical vests and equipment but also to a wide range of MOLLE-compatible platforms from other manufacturers.

The pouch features a quick-release pull tab for rapid access when required, making it ideal for professional users operating in demanding environments.
