

PROTEC

PROTEC MOLLE BATON HOLDER

Code: MODBB1

Fabric: 600D Polyesster

Weight: 0.63 kg

Colour: 
Black

About the MODBB1:

The Protec MODBB1 Black MOLLE Modular Baton Holder is a durable, universal baton carrier designed for police officers, security professionals and other operational users. Made from tough 1000D ripstop nylon, it provides secure and accessible baton storage.

The MOLLE-compatible design uses the standard 1" attachment loops, allowing the holder to be fitted to Protec equipment and a wide range of compatible MOLLE platforms. The interchangeable baton retainer provides versatility across a range of baton types.

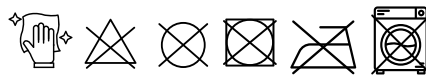

Features:

- Tough 1000D ripstop nylon construction
- Universal MOLLE-compatible design
- Standard 1" MOLLE attachment loops
- Interchangeable baton retainer
- Suitable for a range of baton applications
- Compatible with ASP, Casco, Autolock, Camlock, Monadnock and NEX batons
- Can be fitted to Protec and other compatible MOLLE equipment
- Lightweight design
