

PROTEC

PROTEC MOLLE MODULAR RIGID HANDCUFF POUCH

Code: MODBH1

Weight: 113g

Material: 1000d Ripstop Nylon

Colour: Black ●

Size: 25 x 12cm x 2cm

About: Protec Black MOLLE Rigid Handcuff and CS Pouch

The Protec Black MOLLE Modular Rigid Handcuff Pouch is designed for the secure carriage and rapid deployment of rigid handcuffs in operational environments. Manufactured from durable 1000D nylon, this robust pouch provides reliable retention while maintaining easy access when required. Its universal MOLLE-compatible design allows integration with Protec equipment and most MOLLE-equipped tactical vests, belts and load-bearing systems.

Key Features:

- Universal rigid handcuff pouch design
- MOLLE-compatible attachment system
- Durable construction for operational use
- Secure retention with quick access capability
- Compatible with a wide range of rigid handcuff models
- Suitable for police, security and emergency service applications

Materials:

- Manufactured from heavy-duty 1000D nylon
- Ripstop construction for enhanced durability and resistance to wear

Compatibility:

Suitable for most rigid handcuff models, including:

- Hiatt rigid handcuffs
- TCH UK rigid handcuffs
- Standard police issue TCH 840 rigid handcuffs
- Other similarly sized rigid handcuff designs

Mounting System:

- Standard MOLLE webbing attachment
- Utilises industry-standard 1" MOLLE loops
- Compatible with Protec vests and most third-party MOLLE platforms
- Suitable for tactical vests, duty belts and load-bearing equipment

Operational Benefits:

- Secure retention of rigid handcuffs during operational activity
- Rapid access for efficient deployment
- Durable construction designed for demanding environments
- Flexible mounting options across multiple MOLLE platforms

Applications:

- Police officers
- Security personnel
- Custody and detention teams
- Emergency services
- Tactical and public order operations

Country of Manufacture:

- Pakistan 

Comodity Code:

- 39232900
