

PROTEC

PROTEC BLACK MOLLE CHAINED CUFF POUCH

Code: MODBH4

Weight: 80g

Material: 1000D Ripstop Nylon

Colour: Black ●

Size: 12 x 10 x 4cm

About: Protec Black MOLLE Chained Cuff Pouch

The Protec Black MOLLE Chained Cuff Pouch (MODBH4) is a durable, modular storage solution designed to securely carry most styles of chained handcuffs. Manufactured from hard-wearing 1000D ripstop nylon, this compact pouch offers excellent durability for demanding operational environments while providing quick and convenient access to essential equipment.

Designed to the universal MOLLE standard, the MODBH4 easily attaches to Protec tactical vests, belts, and other MOLLE-compatible platforms, making it an ideal addition to a wide range of tactical and duty gear. Its versatile design also allows it to be used as a compact general-purpose utility pouch for carrying small operational accessories.

Key Features:

- Designed to securely hold most chained handcuffs
- Constructed from durable 1000D ripstop nylon for long-lasting performance
- Universal MOLLE attachment system compatible with Protec and other MOLLE platforms
- Compact, lightweight design for easy integration with tactical equipment
- Can also be used as a general-purpose utility pouch
- Ideal for law enforcement, security, military, and tactical applications
- Finished in black to complement professional operational equipment
