About: Protec Black Molle Rigid Handcuff Pouch

The Protec Black MOLLE Rigid Handcuff Pouch is a robust enclosed carrier designed to securely store and protect rigid handcuffs during operational use. Constructed from durable 1000D ripstop nylon, the pouch is built to withstand demanding environments while providing reliable retention. A secure double press stud closure ensures the handcuffs remain firmly in place, offering enhanced security during movement.

The rear of the pouch features twin 25mm MOLLE attachment straps, providing a stable mounting platform that is compatible with all standard MOLLE/PALS systems. Designed for use on duty belts, tactical vests, plate carriers, and other load-bearing equipment, this pouch offers dependable performance for law enforcement, security, and tactical professionals.
