

PROTEC

PROTEC BLACK MOLLE DOUBLE RIGID HANDCUFF UTILITY POUCH

Code: MODBH7

Fabric: 1000D Nylon

Weight: 80g

Colour: Black

About the MODBH7:

The Protec MODBH7 Black MOLLE Double Rigid Handcuff Utility Pouch is designed to carry two pairs of standard rigid handcuffs in a single, compact unit, helping maximise space on a duty belt or MOLLE vest.

Based on the Protec H7 belt-mounted design, the MODBH7 is manufactured from durable 1000D nylon and features a front-to-back arrangement for carrying two pairs of handcuffs. Heavy-duty press-stud fastenings help keep the handcuffs secure while allowing quick access when required.

An integrated front utility pocket provides additional storage for small essentials, such as nitrile gloves or a mini first aid kit. The rear attachment system includes a 50mm-wide belt loop, providing a stable fit with compatible duty belts, alongside MOLLE compatibility for versatile equipment mounting.

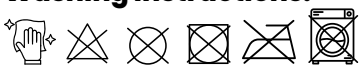

Features:

- Durable 1000D nylon construction
- Holds two pairs of standard rigid handcuffs
- Front-to-back handcuff arrangement to save space
- Heavy-duty press-stud fastenings
- Integrated front utility pocket for small essentials
- 50mm-wide rear belt loop
- Compatible with duty belts up to 60mm wide
- Compatible with known MOLLE systems
- Designed for quick access to equipment
