

PROTEC

PROTEC ASP TRI-FOLD RESTRAINT MOLLE POUCH

Code: MODBPT13
Weight: 75g
Material: 1000D Ripstop Nylon
Colour: Black
Size: 13.5 x 6 x 6.5cm

About: Protec Black Molle Modular Grenade Pouch

The PROTEC MOLLE ASP Tri-Fold Restraint Pouch (MODBPT13) is a low-profile, MOLLE-compatible pouch designed specifically to carry two ASP Tri-Fold Restraints securely and within easy reach. Constructed from military-grade 1000D ripstop nylon, it delivers exceptional durability for demanding operational environments.

Featuring reinforced construction with a rigid polypropylene insert, the pouch maintains its shape while providing rapid access through the open-top design. An elastic retention strap keeps restraints securely in place during movement, making it ideal for frontline professionals requiring reliable restraint storage. Compatible with all standard MOLLE systems, the pouch can be mounted to tactical vests, duty belts, backpacks and other MOLLE-equipped gear.

Key Features:

- Designed to hold 2 x ASP Tri-Fold Restraints
- Low-profile tactical design
- Manufactured from military-grade 1000D ripstop nylon
- MOLLE-compatible attachment system
- Reinforced with a 1mm polypropylene plastic insert for added rigidity
- Open-top design for fast, unhindered access
- Elastic retention strap keeps restraints securely in place
- Suitable for MOLLE vests, belts, bags and tactical equipment
- Built for demanding operational use
