About: Protec Black MOLLE Modular Notebook Pouch

The Protec Black MOLLE Modular Notebook Pouch (MODBPT2) is a versatile utility pouch designed to securely carry notebooks, documents, and other essential operational equipment. Suitable for police, military, security, and outdoor professionals, it provides a durable and practical storage solution that integrates seamlessly with existing MOLLE-compatible load-bearing systems.

Constructed from rugged 1000D Ripstop nylon, the pouch is built to withstand demanding operational environments while maintaining a lightweight profile. Designed to accommodate items up to approximately 180 × 100 × 40 mm, it is ideal for notebooks, small tools, documentation, or other mission-critical accessories.

Featuring a universal MOLLE/PALS attachment system with industry-standard 1-inch webbing, the MODBPT2 is compatible with tactical vests, belts, bags, and equipment from Protec and other MOLLE-compatible manufacturers.
