About: Protec Black MOLLE Landscape Pouch

The Protec Black MOLLE Landscape Pouch (MODBPT3) is a versatile general-purpose utility pouch designed to provide secure and accessible storage for essential operational equipment. Its landscape orientation makes efficient use of available space on tactical vests, belts, and load-bearing platforms making it an ideal addition to police, military, security, and outdoor loadouts.

Manufactured from durable 1000D Ripstop nylon, the pouch is built to withstand demanding operational environments while protecting the contents during everyday use. With an internal capacity suitable for items up to approximately 165 × 125 × 40 mm, it offers practical storage for notebooks, gloves, first aid items, tools, and other mission-critical accessories.

The universal MOLLE/PALS attachment system uses industry-standard 1-inch webbing, ensuring compatibility with Protec equipment and a wide range of other MOLLE-compatible tactical gear.
