

PROTEC

PROTEC BLACK MOLLE SINGLE DOCK STRIP

Code: MODBRD1

Weight: 39g

Material: 1000D Ripstop Nylon

Colour: Black ●

Size: 11.5 x 5.5 x 2cm

About: Protec Black Molle Single Dock Strip

The Protec Black MOLLE Single Dock Strip is a durable mounting accessory designed to provide a secure attachment point for Klick Fast®-compatible devices on MOLLE-equipped tactical gear. Ideal for police, security, military, and emergency service professionals, it enables reliable carriage of radios, body-worn cameras, and other compatible equipment while maintaining a streamlined loadout.

Constructed from heavy-duty 1000D nylon and reinforced with a 1 mm plastic insert, the dock strip is engineered to withstand the demands of daily operational use. Its low-profile design minimises bulk without compromising strength, while the MOLLE/PALS attachment system ensures seamless integration with tactical vests, carriers, belts, and load-bearing equipment.

Designed for flexibility and reliability, the Protec Single Dock Strip is an ideal solution for professionals who require quick access to essential equipment in demanding environments.

Key Features:

- Compatible with Klick Fast® mounting systems
- Secure mounting point for radios, body-worn cameras and compatible accessories
- Manufactured from durable 1000D nylon
- Reinforced with a 1 mm plastic insert for added rigidity
- Standard MOLLE/PALS compatible attachment system
