About: Protec Black MOLLE Modular Torch Pouch

The Protec Black MOLLE Modular Torch Pouch (MODBT5) is a compact, durable holder designed to securely carry most compact torches and multi-tools. Ideal for police, security, military, and outdoor professionals, it provides quick access to essential equipment while keeping it securely retained during operational use.

Manufactured from tough 1000D Ripstop nylon, the pouch is built to withstand demanding environments without adding unnecessary bulk. Its compact design accommodates torches or multi-tools up to approximately 145 × 35 mm, making it a practical addition to any tactical loadout.

Featuring a universal MOLLE/PALS attachment system using industry-standard 1-inch webbing, the MODBT5 is compatible with Protec equipment as well as a wide range of other MOLLE-compatible tactical vests, belts, bags, and load-bearing systems.
