

PROTEC HI-VIS MOLLE CHAINED HANDCUFF POUCH

CODE: MODHVH4

Fabric: 1000D Nylon

Weight: 50g

Colour:

Hi Vis Yellow

About the MODHVH4:

The Protec Hi-Vis MOLLE Chained Handcuff Pouch provides a compact, practical storage solution for carrying a pair of chained handcuffs while on duty. Designed for police officers, security personnel and tactical professionals, it helps keep essential equipment secure and accessible without taking up unnecessary space on a duty belt or MOLLE vest.

Manufactured from durable 1000D nylon, the pouch is built for everyday use in demanding operational environments. A Velcro fastening helps secure the handcuffs, while the press-stud MOLLE attachment straps allow the pouch to be fitted to compatible MOLLE equipment.

The high-visibility design makes the pouch easier to identify among other duty equipment, while its compact dimensions help maintain a low-profile setup.

Features:

- Durable 1000D nylon construction
- Designed to carry chained handcuffs
- Velcro fastening for secure storage
- Press-stud MOLLE attachment straps
- Compatible with MOLLE-equipped vests and tactical platforms
- High-visibility design for easy identification
- Compact, space-saving construction
