About: Protec Black MOLLE Modular Notebook Pouch

The Protec Hi-Vis Small MOLLE Notebook Pouch (MODHVP2) is a compact, high-visibility utility pouch designed to provide secure storage for notebooks and other essential operational equipment. Ideal for police, security, emergency services, and other frontline professionals, the pouch combines excellent visibility with a practical, low-profile design.

Manufactured from modern antibacterial and fire-resistant materials, the MODHVP2 offers enhanced durability and hygiene for demanding operational environments. Suitable for carrying items up to approximately 150 x 110 x 45mm, it is ideal for notebooks, documentation, small tools, or other everyday duty essentials.

Designed with a universal MOLLE/PALS attachment system using industry-standard 1-inch webbing, the pouch integrates seamlessly with Protec equipment as well as other MOLLE-compatible tactical vests, belts, bags, and load-bearing systems.
