About: Protec Hi Vis MOLLE Modular Landscape Pouch

The Protec Hi-Vis MOLLE Modular Landscape Pouch (MODHVPT3) is a compact, high-visibility utility pouch designed for secure storage of essential operational equipment. Its landscape format provides an efficient layout on tactical vests, belts, and load-bearing systems, making it ideal for police, security, emergency services, and other frontline professionals.

Manufactured from modern antibacterial and fire-resistant materials, the pouch is built to withstand demanding operational environments while supporting improved hygiene and durability. With internal capacity suitable for items up to approximately 165 × 125 × 40 mm, it is ideal for carrying notebooks, first aid items, gloves, tools, or other everyday duty equipment.

The universal MOLLE/PALS attachment system utilises industry-standard 1-inch webbing, allowing the pouch to integrate seamlessly with Protec equipment as well as a wide range of other MOLLE-compatible tactical gear.
