About: Protec HI-Vis MOLLE Modular Notebook Pouch

The Protec HI-Vis MOLLE Modular Notebook Pouch is a versatile, high-visibility utility pouch designed to securely carry notebooks and other essential equipment.

It's made from modern antibacterial, fire-resistant materials, offering better hygiene, durability, and protection in demanding operational environments. Suitable for carrying items up to approximately 180 × 100 × 40mm, the pouch can be used as a general-purpose storage solution for law enforcement, emergency services, and security personnel. Its universal MOLLE-compatible design allows it to be easily attached to Protec vests as well as a wide range of other MOLLE-compatible tactical gear.

Key Features:

- High-visibility design for enhanced operational safety.
- Suitable for notebooks and general-purpose equipment.
- Manufactured from modern antibacterial and fire-resistant materials.
- Universal MOLLE-compatible attachment system.
- Compatible with Protec vests and most MOLLE platforms.
- Secure and convenient storage for items up to 180 × 100 × 40mm.
- Durable construction for professional operational use.
