

PROTEC

PROTEC PT12 UTILITY POUCH

Code: PT12
Fabric: 1000D Nylon
Weight: 40g
Colour:
Black

About the PT12:

The Protec PT12 Utility Pouch is a lightweight, durable storage solution designed for carrying essential duty equipment. Manufactured from technically advanced, hard-wearing fabrics, it combines strength with a lightweight construction to keep essential kit secure without adding unnecessary weight.

Featuring reinforced bound-edge stitching for enhanced durability, the PT12 is built for reliable use in demanding professional environments. Its fully opening flip-top lid is secured with a quality hook-and-loop fastening, providing convenient access to equipment when required.

Ideal for police, security and other professional users, the pouch is suitable for carrying limb restraints, custody keys and first aid items.

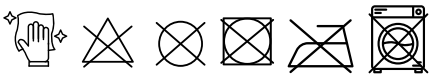

Features:

- Lightweight yet robust construction
- Durable, technically advanced fabric
- Reinforced bound-edge stitching for added strength
- Fully opening flip-top lid for easy access
- Secure hook-and-loop fastening
- Compatible with 50mm (2") duty belts
- Suitable for limb restraints, custody keys and first aid items
