About the PT13:

The Protec PT13 Key Chain Pouch is a durable key-carrying solution designed for professionals who require secure storage and reliable key retention during duty. Manufactured from tough 1200D nylon, it is built to withstand the demands of daily use in challenging working environments.

Featuring a 92cm nickel-plated security chain with fully welded links and a dog hook clip, the PT13 helps keep keys securely attached while allowing convenient access when required. The pouch also includes an internal elasticated pen holder capable of holding up to two pens or pencils.

A reinforced double belt loop on the rear provides stable attachment to duty belts up to 50mm wide. Ideal for prison officers, police, security personnel and other professionals responsible for handling keys.
