PROTEC

UNIVERSAL BELT AND MOLLE VEST POUCH

Code: PT5a

Fabric: 1000D Nylon

Weight: 140g

Colour: Black

About the PT5a:

The Protec PT5a Large Utility Belt Pouch is a durable, practical storage solution designed for frontline professionals who need quick access to essential equipment. Manufactured from hard-wearing ripstop nylon, it combines lightweight construction with reliable durability for demanding working environments.

Featuring a spacious main compartment for essential duty kit, the PT5a also includes a smaller external front pocket for frequently used items and an internal pen holder to keep writing tools organised and accessible.

Designed for attachment to duty belts up to 50mm wide, this versatile pouch is ideal for police officers, prison staff, security personnel, paramedics and other emergency services professionals.

Features:

- Durable ripstop nylon construction
- Large main compartment for essential equipment
- External front pocket for quick-access items
- Internal pen holder for organised storage
- Lightweight yet robust design
- Compatible with duty belts up to 50mm (2") wide
- Suitable for police, prison, security and emergency services personnel
