About: Police Incident Command Tabard

In an emergency response situation, team identification is critical. Being able to quickly and accurately identify team members dramatically enhances the effectiveness of any team having to deal with an emergency or disaster situation.

Designed specially for the UK police forces this tabard is made from a fully breathable polyester, features a zip up front, with a white background colour and prominent blue checkerboard on the front and the back. To maintain high visibility in low light conditions the tabard features standard glass bead reflective tape along with a single strip of EN471 rated encapsulated blue police checkerboard.

Specifications:

- 100% Breathable polyester material
- Front zip fastening
- EN471 Encapsulated reflective tape
- Can be custom printed with different roles

This garment is made to order, please allow 5-7 days for dispatch.
