About: Hi-Vis Class 2 Tabard

The Protec Hi-Vis Class 2 Tabard is designed for police officers and Police Community Support Officers (PCSOs) requiring high visibility and practical uniform functionality.

Certified to EN ISO 20471 Class 2, the lightweight tabard features 50mm sewn-on reflective tape for enhanced visibility. Its generous cut allows it to be comfortably worn over existing clothing, while the Velcro front fastening provides quick and easy fitting and removal.

Dedicated attachment points allow Police or PCSO badges to be fitted, while Klick Fast-compatible radio docks provide convenient equipment mounting.
