**Colours:**

Hi-Vis Yellow

**About:** Protec Hi-Vis Duty Vest with Klick Fast Compatible Docks

The Protec Hi-Vis Duty Vest with Klick Fast-Compatible Docks is a UK-manufactured, high-visibility load-bearing vest designed for professional operational use.

Developed with input from police officers, security personnel, dog handlers and emergency responders, the vest combines practical equipment carriage with comfort, visibility and freedom of movement.

The fully adjustable design provides a secure and comfortable fit, while integrated equipment-carrying features provide convenient access to essential operational equipment. A rigid Klick Fast-compatible spray holder, baton holder, handcuff pouch and utility pouch provide dedicated storage options

**Key Features:**

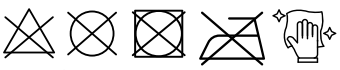

- **Fully Adjustable Fit -** Adjustable construction allows the vest to be securely and comfortably fitted while maintaining freedom of movement.
- **Klick Fast-Compatible Spray Holder -** Rigid spray holder provides a secure and accessible mounting point for compatible equipment.
- **Airwave Radio Docks -** Docks positioned on both shoulders provide convenient mounting options for compatible radio equipment.
- **Advanced Baton Holder -** Designed to accommodate a wide range of compatible baton models.
- **Handcuff Pouch -** Dedicated pouch provides accessible storage for handcuffs.
- **LR1 Limb Restraint Pouch -** Small utility pouch suitable for Protec LR1 limb restraints.
- **Rear Velcro Panel -** Large rear Velcro panel provides space for operational badges or identification.
- **Comfort-Fit Belt Loop System -** Designed to improve stability and help reduce movement during active use.
- **Reflective Badge System -** Velcro badge system allows reflective patches to be quickly removed or replaced.
- **High-Visibility Design -** Provides increased visibility while maintaining a practical load-bearing platform.

**Fit & Configuration:**

- Fully adjustable
- Available in left- or right-handed configurations
- Designed for comfort during extended periods of wear
- Allows freedom of movement during operational duties

**Size:** One Size fits most - Adjustable Straps

**Care Instructions:**
