PROTEC BLACK VELCRO BATON HOLDER

Code: VBB1

Fabric: 1000D Nylon

Weight: 70g

Colour: Black

About the VBB1:

The Protec Black Velcro Baton Holder is designed for secure, convenient baton storage on compatible Velcro-backed body armour and garments. Manufactured from tough 1000D ripstop nylon, it provides a durable, lightweight carrying solution for professional duty use.

Featuring a robust Velcro backing, the holder attaches directly to compatible armour or clothing without requiring an additional belt-mounted holster. Its versatile design allows it to be used with compatible garments featuring Velcro attachment panels, including those from other manufacturers.

The interchangeable baton retainer accommodates a range of compatible expandable batons, including suitable ASP, Casco and AutoLock models.

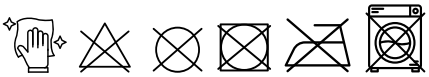

Features:

- Durable 1000D ripstop nylon construction
- Strong Velcro backing for direct attachment to compatible garments
- Designed for use with compatible Velcro-backed body armour
- Interchangeable baton retainer
- Versatile attachment to suitable Velcro panels
- Suitable for compatible ASP, Casco and AutoLock batons
- Black finish for a professional appearance
