Black

About: Protec X2 Taser Covert Harness

The Protec X2TPC X2 Taser Covert Harness is designed specifically for the X2 Taser, providing a discreet, low-profile carrying solution. Constructed from durable 1000D material, it features a quick-release thumb break and internal padding for added comfort.

An adjustable elastic trouser loop helps keep the harness securely positioned, while fully adjustable straps allow the unit to be positioned to suit the user.
